THANK YOU!

A huge thank you to everyone who has supported the array of FOMISA events this year. The incredible hard work of the team, together with your help has managed to raise enough money to purchase a wide range of resources for the children. I thought you would like to see how your money has helped your child/ren. See below, just some of the items we have received and are already in use:

We have many more resources still to arrive including new books for both classrooms and the library, maths equipment, outdoor playtime and lunchtime resources. We are also aiming to purchase an undercover outdoor class gazebo, when we have sufficient funds.

Wow!
