CELEBRATING GOOD SCHOOL ATTENDANCE

Overall whole school attendance this half term:	95.48%
---	--------

Well done to class 3D for achieving the highest attendance this week.	
---	--

It has been an incredibly busy half term.

Our Nursery and Reception pupils have settled well into the routines of the school day and are now very much part of our school community. There have been many trips, visits, visitors, dress up days, opportunities to represent the school and chances to 'perform' to an audience, inspiring the children and contributing to their enjoyment and engagement in learning. We thank you for all your continued support with these events.

Feedback from the year group and general Parent Drop in meetings has been taken on board and some changes have been implemented as a result of parent suggestions (You said...We did...). Our FOMISA team have continued to do a fantastic job, organising events for the children to enjoy and also trying to help our parent community keep costs down with the opening of the second hand uniform shop.

Wellbeing is at the heart of our school ethos and we have continued to encourage pupils to be the very best they can, to be active, eat healthily, to develop strategies to cope with life situations which they may find challenging and of course, to ensure that they know how to keep themselves safe within our community and online.

I continue to be very proud of the strong partnerships we have between school and home and thank you all for your ongoing support.

I hope you have a restful half term.
